Subject: Notice of File Closure for Small Mining Project, Natural Organic Fertilizer, Sam #116 Mine, S/019/052, Grand County, Utah

Dear Mr. Tuttle:

This letter is to notify you that the Division file, S/019/052, for the Sam#116 small mining project will now be closed.

We have inspected this site and found no mining related disturbances. The Bureau of Land Management has informed us this mine was never opened, so we are closing our file for this small mine project, as you requested.

You are released from further mining or reclamation responsibilities at this site. If you wish to conduct any future mining related activity in this area, you will need to submit a new notice to the appropriate agency(ies), pay the Division permit fee, submit adequate surety, and receive written approval(s), prior to creating any disturbance.

If you have any questions or concerns regarding this action, please contact me at (801) 538-5258 or Paul Baker at 801-538-5261.

Sincerely,

Susan M. White  
Mining Program Coordinator
